MR. CONRAD CLAUSSEN

To Show Our Thanks

More years ago than we staff members can remember, Conrad Claussen came to Holstein High as a band director. He has faithfully served our music department for twenty-seven years. Hundreds of graduates who remember "Coonie" as the man who has had national winners and many better-than-average bands and small groups, join us in dedicating the thirty-fourth issue of the Moo to him.

A Word from the Editors

This issue of the Moo is assembled to give you a seasonal picture of our school year of 1950-51. We like to think that as you turn through the pages you will live again one full year of school life.

JAMES B. LEINBAUGH

To Show Our Appreciation

Large feet and tiny feet track dirt into halls and classrooms. Seldon do we realize the work it takes to clean it up. "Bun" has spent thirteen years as our custodian and we have always found him to be friendly, reliable, and cooperative. Every student knows and likes James B. Leinbaugh.

MRS. OBRECHT

The old gym looks different this year. The hot lunch program was initiated with Mrs. Obrecht doing the deskwork and Mrs. Branco, Mrs. Stuart, and Mrs. Carnes dishing out the soup for some 250 hungry students. High school students donned aprons to help out during the rush periods. Every Friday, Mrs. Jatho sold lunch tickets for the next week.

No matter what the weather—rain, snow, or sunshine—these men are always on the job. Cold weather finds "Charlie" Gebers at work by four, firing the furnace, as well as cleaning over in the old building. "Bun" Leinbaugh can always be found helping the children to make their classes on time, seeing that their overshoes are taken off, and their dirty feet cleaned before entering the halls. In the new gymnasium Fred Barghols kept everything shiny and sparkling until his recent illness, when his job was taken over by Lyle Raabe.

Grid season had ups and downs . . .

The Black Pirates' football season, while not too impressive, was still successful, and they ended the season with five wins and three losses. With only four regulars back from last year's team, Coach Kraai did a fine job of rebuilding a team that continued to pick up steam as the season progressed.

SEASON SCORES

Holstein	28		Alta	6
Holstein	0		Moville	26
Holstein	0		Onawa	20
Holstein	33		Galva	0
Holstein	18		Ida Grove	12
Holstein	54		Correctionville	7
Holstein	40		Kingsley	0
Holstein	0		Odebolt	13

HOLSTEIN VS. ALTA

The Black Pirates opened their season with a win over the Alta Cyclones. Although the Pirates were inexperienced they started fast and picked up two touchdowns in the first quarter. The second and third quarters were scoreless, but Holstein scored two more touchdowns in the final period with Alta picking up one. The final score 28 to 6.

HOLSTEIN VS. MOVILLE

Holstein lost their first conference game to a big, fast charging Moville team. This was the first time in several years Moville beat Holstein. They scored twice in the second quarter and once each in the third and fourth to bring their score up to 26. Cal Leonard was injured in the first quarter and Holstein didn't have a veteran in the line for the remainder of the game. The size and power of the Blue Raiders was largely responsible for the 4 touchdowns.

HOLSTEIN VS. ONAWA

Onawa's powerful team caught Holstein off guard and scored twice within the first four minutes. Onawa really wanted to win and it was the first time in many years that they did. The Pirates showed their inexperience in this game and maybe could have done better if they had met them later in the season. Holstein failed to score and the game ended 20 to 0 in favor of Onawa.

HOLSTEIN VS. GALVA

Holstein had an easy time of it against the Galva Blue Devils. Galva lacked the confidence to put up much of a fight. The score was 20 to 0 at the end of the first quarter with the substitutes finishing the half. Holstein scored two more touchdowns in the third quarter to end the scoring. The reserves did a good job of defense to keep Galva from scoring during the rest of the game. The final score was 33 to 0.

HOLSTEIN VS. IDA GROVE

The Ida Grove Hawks were defeated by a Holstein team that really wanted to win. The Pirates capitalized on two Hawk fumbles for touchdowns in the first quarter. Ida Grove scored their first touchdown after they intercepted a Holstein pass. The Pirates scored again in the third quarter and the Hawks in the final period. Holstein won by a score of 18 to 12.

HOLSTEIN VS. CORRECTIONVILLE

Holstein looked impressive against Correctionville. Blocking and tackling were good, and Correctionville scored their only touchdown in the fourth quarter with substitutes playing. Alvin Kay, guard, started the scoring by carrying the ball over for the first touchdown. The score at the half was 33 to 0 and the final score was 54 to 7.

HOLSTEIN VS. KINGSLEY

Holstein overpowered the Kingsley Bombers 40 to 0 in what was supposed to be a close game. Kingsley's passing attack was bottled up by Holstein's pass defense. Holstein scored three touchdowns in each half. The ground attack worked smoothly with quarterback Rickard guiding it to overpower the Bombers completely.

HOLSTEIN VS. ODEBOLT

With a chance to tie for top honors in the Maple Valley Conference, Holstein failed to match the Trojan's power. Holstein held them scoreless during the first half. After the half the Pirates failed to stop Odebolt and they scored in the 3rd and 4th quarter. The Trojan's heavy line proved to be too powerful for the lighter Holstein line. The final score was 13 to 0 in favor of Odebolt.

The Holstein Pirates opened their season with a loss, but were soon back in the winning column. Meriden had too much experience for the Pirates, who ten days before had been battling the Odebolt Trojans on the gridiron.

Holstein later avenged that first defeat by a score of 41-32 in their brand-new gymnasium. Two other defeats to Correctionville and Kingsley were also avenged later in the season. Galva, usually a thorn in Holstein's side, was defeated three times this season.

In the Maple Valley Tournament, Holstein won top honors to add another trophy to the many in the showcase. Holstein's first game was with Battle Creek with the game not being decided until the final sound of the buzzer. The score 45-44. The next night against Arthur the Pirates had an easier time of it coming out on top by the score of 35-27. Against Galva the game was a close one. The winning points were put in just before the game ended to make it Holstein 32 and Galva 29.

Holstein had to win only one game to win the Sectional Tourney and this they did, handing Ida Grove another loss. The boys started fast and for a while it looked like it was going to be an easy game. Ida Grove, however, had different ideas, and Holstein had to work to the end to win 31-28.

At the District, Mapleton swamped Holstein 57-34, although they had an ice cold first quarter. Mapleton's height and poise proved too much for the Holstein five.

Girls' Basketball Summary

Magnificent in Victory

Glorious in Defeat

Starting with an auspicious 61-44 win over Sloan, the Cerise girls dressed in their stunning new midriffs, yelled to the world that they were going to be tougher than anyone had expected. Having begun the season on a muddy outdoor field, the Piratettes showed they could overcome such obstacles and become one of the sixteen finalists.

The girls progressed during the season with a whirl, defeating Meriden in an exciting nip and tuck game. Immediately after the Christmas holidays the beautiful new gym was opened with another crashing defeat for Meriden. The jinx team, Galva, was defeated twice in seasonal play, and a third time in the exciting finals to win the Maple Valley Tournament trophy.

It was a good Mallard team that handed the Piratettes their first defeat in an overtime heartbreaker. Beginning the Sectional Tourney each of the twelve girls had one goal in mind: State Tourney or Bust. Early and Oto were defeated in breather games, and again Galva was the opponent in the Sectional finals for the fourth time this season. There were those who said the odds were against the Piratettes, but the girls wowed the crowd with a brand of basketball they had not displayed since the Mallard game. As the game progressed the difference in scores widened. Galva's teeth had been pulled, lock, stock, and barrel.

The District Tourney was opened with the Piratettes handing Sulphur Springs a 75-38 pasting. In the finals, the girls snatched a 66-65 victory from a determined Meriden sextette in a thrilling squeaker to win the district championship and the coveted trip to State. The Holstein girls were ahead one point in the last few seconds when Lockner of Meriden approached the free-throw line in an attempt to tie up the score. Countless silent prayers were answered as the ball bounced once, then twice to be tied up for a jump ball. Then in a few seconds the final buzzer rang. Twelve jubilant girls with tear-filled eyes went forward to receive the trophy as the crowd thundered its applause.

Moravia was the 62-60 winner over Holstein in another breath-taking game in the first round of State. The Holstein girls continually cut the southern Iowa's sextette's edge to a few points but were unable to overtake Moravia's lead. It had been another nip and tuck battle, to the very end, and until the final gun popped, the outcome was undecided.

EVELYN GEBERS
Senior Guard
Throughout the entire season, Evelyn showed her fine ability in playing that difficult position in girls' basketball—post guard. Always a calm player, she was quick to analyze the actions of her opponents.

JOAN BRODERSEN
Senior Forward
Joan has an outstanding deceptive fake. Aided by her drive-shot and sharp passing, she played inspired ball the entire season. Jack North's All-State Honor Roll, I. D. P. A. Honor Roll.

JOELLE LEMKE
Senior Guard
This long-armed ball hawk constantly stole and tied up the opponent's ball. She sparkled defensively and showed outstanding improvement over last year.

DORIS BREYFOGLE
Senior Forward
Doris used her height to an advantage in her right and left handed shots and her breathtaking overhead "swishers". Her calming influence inspired the team to many a victory. I. D. P. A. 3rd team All-State, Jack North's 4th team, All-State.

M. Vohs, Z. McCubbin, N. Nelson, J. Brodersen, S. Daugaard, M. Walker, D. Breyfogle, P. Ellerbusch, J. Lemke, D. Conover, E. Gebers, M. Schroeder.

MAXINE SCHROEDER
Junior Forward
As a dexterous shot-maker, Maxine was always cool. Her set shots from the side constantly worried opposing teams and forced the defense out as she and Joan exchanged quick passes. Jack North's All-State Honor Roll.

NANCY NELSON
Sophomore Guard
This defensive ball stealer developed a springy rebound and used an explosive sneak through her opponents to get the ball into the front court. Her superb ball playing was consistant all season. Jack North's All-State Honor Roll.

PATSY ELLERBUSCH
Senior Forward
Patsy worked well out in front with Joan and had a nice set shot from the side. She proved to be a good dependable pinch-hitting basketeer.

ZOE ANN McCUBBIN
Junior Guard
As a defensive leech, Zoe proved to be a driving, hard worker. After cutting off her opponent's passes her instant ball passing into our front court resulted in many baskets.

DONNA LU CONOVER
Junior Forward
This left-hand artist showed her ability in the front court several times this year. With her fast and accurate passing, she shows definite promise for next year.

MARY WALKER
Senior Guard
When she took over at post guard, her extra height and long arms proved advantageous in stopping the shots of her forward.

MARY VOHS
Junior Forward
As an aggressive and spirited team player, Mary gained much experience and improvement this year. She has a good eye for the basket from the front set-shot position.

SHIRLEY DAUGAARD
Junior Guard
Aided with her intercepting ability and her speed, Shirley was a worry to any competing team. She started several games at the beginning of the season and came back for the Sectional Tourney to finish out the season with us.

MARY ANN ARP
Junior Forward
Mary's greatest assets are her speed and her efficient team-work in the front court. Her natural speed is effective in intercepting and cutting for the basket.

SHIRLEY BERGMANN
Sophomore Guard
This determined, defensive player shows much promise for the future. Although seeing little game action this year, Shirley stood out as being an explosive, quick-thinking player.

Track

Hampered by heavy spring snow, the Holstein trackmen were forced to do most of their practicing in the gym.

Eleven of last year's lettermen reported for track again this year. They are Don Schneckloth, Bill Rickard, Delane Schroeder, Bill Fahan, Charles Schubert, Bob Endrulat, Gene Ehler, Harold McDermott, Bill Agnew, Lawrence Schroeder, and Jim Lenz. Much of Holstein's track fate depends on these boys and the others who develop into sure point-getters.

The Sophomore Success

This year as we started school, we were a little less afraid, a little more independent, and how proud we felt to be able to direct someone to room 14 or tell a freshman where a teacher might be located.

As the school year started dusting off the sands of summer, we organized under our leader, Mr. Piper, and elected David Leonard as our president, Denton Wirkus as our vice-president, and Nancy Nelson, as our secretary-treasurer.

We form a vital part of the extra-curricular activities. In football six of us are out at the practice field every night in the fall; in basketball, eleven (and we were proud of Nancy Nelson who started at the guard position in the State Basketball Tournament); in glee club, fifteen; in pep club, thirteen; and there are eleven of us on the Hi-Larity staff.

We may be the smallest class in high school, but the love we feel for our school is as deep as anyone else's—we are proud to belong to the school known as the "Home of the Black Pirates and Piratettes".

Junior Activities

We organized under the supervision of Miss Anderson and started one of the busiest years we have experienced. Our president, Bill Agnew, led many an "argument-packed" meeting with Mary Ann Arp, vice-president, assisting him and Mickey McDermott handling the purse strings and reading the minutes. Selecting class rings, putting on the play, "Aaron Slick from Pumpkin Crick", selling food at football games, and putting on the junior-senior prom were only a few of the many things we carried out. In addition, two of us were on the Hi-Larity staff; eleven in pep club; seven in mixed chorus; seven in glee club; ten in football; and twenty in basketball. Maxine, starting forward, and Zoe Ann, guard, gave a fine performance at the Girl's State Basketball Tournament at Des Moines.

We worked hard, but the success we obtained was both a tribute to us and to our school.

Representative Underclassmen

These six students have been selected on the basis of personality, sociability, scholastic achievement, extra-curricular activities and for all-around good fellows to represent their respective classes.

JUNIORS

Mary Ann Arp—A quiet, rather shy, but most friendly and sincere girl, Mary Ann was selected as the truly representative junior girl. She has a definite interest in basketball and this year played forward for the Piratettes.

Mickey McDermott—Having been class treasurer for three years, Mickey has proved his honesty and dependability. He is also active in boy's vocal groups, football, and track.

SOPHOMORES:

Florence Kruse—Though her greatest worries seem to be over her clarinet, Florence keeps working away at her music. In addition to her work with concert and marching band this year, Florence has been a hard working member of the Hi-Larity staff. Her weakness: giggling.

Dave Leonard—For those who know him (And who doesn't!) Dave is a likeable companion and always ready with a witty answer. The English class always wait with anxiety for his themes and compositions. His silent partner: Bob Martin.

FRESHMEN:

Shirley Michaelsen—This young lady from the freshman class is active in Rainbow and in Girls' Glee Club. She participated in the Home Economics Style Show and is always willing to do any job asked of her.

Martin Lohff—A straight "A" student who is a very quiet lad. Martin is also active in band.

Representative Seniors

Chosen by student and faculty vote as outstanding among their classmates—they have been selected as representative seniors from this year's graduating class.

Sparkling personalities and winning smiles combine to place Doris Breyfogle and Don Schneckloth high in student approval.

Doris is honored for her high scholastic ability and her participation in extra-curricular activities. Basketball fans looked for that blonde gal in the bright-colored suit with the number 13—and Doris made any superstitions about that number seem foolish.

It's "Donnie's" ability to get along with others and his "way with girls" that have made him popular in Holstein High School. Friendly, good-natured, a hard-working student, and a real pal, Don has been active in sports and was chosen Homecoming King of 1950.
